

**September 18, 2012**  
**Miscellaneous Curriculum Changes (effective fall 2013)**

**Department of Art**

*Major in Art History (BA)*

- To update the course list of chronological concentrations.

**Curriculum in Applied Sciences and Engineering**

*Major in Applied Science (BS): Materials Science Track*

- To remove APPL 420, 470, 472, 473.
- To remove BMME 400.
- To increase the number of electives from four to five (15 hours), chosen from at least two different categories.
- To decrease the total credit hours required for the major from 125 to 124, to align with the other applied science tracks.
- To increase the course options for the electives requirements as follows:
  - Polymer materials: APPL 420, 421, 422, 423, 425
  - Biomaterials: APPL 465, 510
  - Electronic/optical materials: APPL 450, 470, 473; MTSC 573, 615; PHYS 352 (if Chem 262/262L was taken to fulfill a requirement), 415, 471
  - Mathematical modeling: MATH 529, 547, 564
- To delete one free elective (3 hours).

**Department of Classics**

*Major in Classics: Combined Greek and Latin*

- To remove LATN 221.
- To increase the number of Latin elective courses above LATN 205 from four to five.

**Department of Communication Studies**

*Minor in Writing for the Stage and Screen*

- To clarify the requirements for the five-course minor, with optional electives
- To raise the grade point average for candidates from 2.4 to 2.7
- To correct listing of course numbers and titles

**Department of Psychology**

*Major in Psychology (BA and BS)*

- To add PSYC 242 [pending course approval] to the clinical program area.

## **Additional Reports**

### **Department of Art**

Renumber ART courses to ARTH (Art History) and ARTS (Art Studio)

[ARTH and ARTS course lists](#)

**Department of African and Afro-American Studies** (to be renamed African, African American and Diaspora Studies)

Renumber AFAM and AFRI courses to one subject code, AAAD

[AAAD course list](#)

### **Course Renumbering**

Renumber courses in the College of Arts and Sciences to align with the Standard Course Numbering System (UPM #4)
