Dear Professor Thompson,

We are writing to ask for the Ad Board's approval to include the following additional courses in the Undergraduate Bulletin as counting towards the Philosophy requirement of the *Philosophy, Politics, and Economics* (PPE) minor:

PLCY 340 Justice in Public Policy 
PLCY 71 Justice and Inequality (which has been PLCY 89)

The readings, assignments, and staffing of these courses mean that they have the content and focus that fits well with the PPE minor.

With appreciation for your time and consideration, we are

Cordially yours,

Geoffrey Sayre-McCord

and Director of UNC's PPE Program
