Administrative Board of the College of Arts and Sciences
Undergraduate Curriculum
CB# 3504, 300 Steele Building

Dear Administrative Board:

The Exercise and Sport Science department requests changes in two minors offered in our department: Coaching Education (COAC) minor and the Exercise and Sport Science (EXSS) minor.

First Request: Coaching Education minor

- We request a change in the COAC minor requirements.
 - Change in pre-requisite course
 - Due to a change in the pre-requisites for EXSS 288 (Emergency Care of Athletic Injuries and Illnesses), we need to alter the wording in the Bulletin. Formerly EXSS 175 (Human Anatomy) was a pre-req or co-req for EXSS 288. Through CRAS, we submitted a request for the removal of the EXSS 175 pre-req for EXSS 288.
 - Current Bulletin wording of the COAC minor
 - The minor in coaching education is by approval only and consists of five courses, distributed as follows:
 - EXSS 205 or 206
 - EXSS 207
 - EXSS 288*
 - Two from EXSS 141, 181, 211, 221, 360, 376, 380, 385, 408, 478; RECR 430
 - *EXSS 288 requires EXSS 175 as a prerequisite. By approval from the department, students may replace EXSS 288 with an additional course from list four. Please see the department for details and eligibility.

- For more information and to obtain an application, please contact Dr. Sherry Salyer at salyer@email.unc.edu.
- Proposed Bulletin wording:
 - The minor in coaching education is by approval only and consists of five courses, distributed as follows:

 - EXSS 207
 - EXSS 288* (remove the * also)
 - Two from EXSS 141, 181, 211, 221, 360, 376, 380, 385, 408, 478; RECR 430
 - ~~*EXSS 288 requires EXSS 175 as a prerequisite. By approval from the department, students may replace EXSS 288 with an additional course from list four. Please see the department for details and eligibility.~~
 - For more information and to obtain an application, please contact Dr. Sherry Salyer at salyer@email.unc.edu.
- What is different: Removal of the reference to the 288 pre-req; otherwise it is the same. The underlined portions are to be deleted.

Second Request: Exercise and Sport Science minor

- We request a change in the EXSS minor requirements.
 - Current Bulletin wording of the COAC minor
 - The minor consists of five courses.
 - Core Requirements
 - EXSS 220, 221, or 288
 - EXSS 376 or 385 (students can elect to take both classes)
 - Three from EXSS 181, 380, and 408 (If students take both EXSS 376 and 385 from the above category, then two classes are required here.)
 - Additional Requirements
 - BIOL 101/101L
 - Proposed Bulletin wording:
 - The minor consists of five courses from the following: 180, 181, 288, 360, 380, 376, 380, 385, 408.
 - Additional Requirement: BIOL 101/101L

- What is different:
 - The requirement of one course from EXSS 220, 221 or 288 has been dropped.
 - EXSS 220 and 221 are deleted from the minor choices.
 - EXSS 180 (Physical Activity in Contemporary Society) and EXSS 360 (Sport Nutrition) have been added as possible courses.

Thank you for your consideration in this matter.

Sincerely,
