RE: Revisions to PWAD major requirements and courses

DATE: October 15, 2015

I am submitting the following changes to the PWAD major for the AY 2016/17 Bulletin (this assumes that the appropriate CRAS actions have been taken by the initiating department).

1. We would like to change the name of one of the three concentrations in the major. This change reflects both the interests of our students, as well as our designation as an "Intelligence Community Center of Academic Excellence." What had been called the "National and International Defense and Security" concentration, should now be named: "International Security and Intelligence."
2. Add this new PWAD course under the International Security and Intelligence concentration:
PWAD 358 Cyber Security <Although this has been submitted and approved in CRAS, I cannot find in CRAS the catalog description; please use that.>
3. Add as crosslist ENGL 488/PWAD 484 Critical Security Studies (under Culture of Peace and War concentration)
4. Add the following History courses as PWAD crosslists (all under Evolution of Warfare Concentration)
HIST/PWAD 205 Statecraft, Diplomacy, and War, 1618-1815
HIST/PWAD 206 Statecraft, Diplomacy, and War, 1815-1945
HIST/PWAD 207 The Cold War
HIST 486/ PWAD 485 Extremism, Terrorism, and Security in Postwar Europe
HIST 528/PWAD 528 Guerrillas and Counterinsurgencies in Latin America
5. Add as crosslist: POLI 459/PWAD 459 Trans-Atlantic Security (in the International Security and Intelligence concentration and the Evolution of Warfare concentration).

6. PWAD 251 has mistakenly been missing from the concentration list; It should be added as counting under the Evolution of Warfare

7. Add as crosslist, both in the Culture of Peace and War concentration:

ASIA/PWAD 235: "Israeli Cinema: Nation, Gender, and Ethnicity."

(As of 11/17/2015, no record of a cross-list request for ASIA/PWAD 235)

ASIA/JWST/PWAD 425: "Beyond Hostilities: Israeli-Palestinian Exchanges and Collaborations in Cinema, Literature, and Music."

8. Add as crosslist SOCI/PWAD 411 Social Movements and Collective Behavior (in the Culture of War concentration)
