Re: Request for changes to the minor in Korean

Two courses are being added to the minor:

- KOR 408, Changes and Continuities in Korean History *
- KOR 490, Topics in Korean Language and Literature *

One course is being deleted because it is being deactivated: JAPN 376, Colonial East Asia/Postcolonial Japan.

We are also slightly changing the minor structure so that students have the option to substitute one of the topical 4th-year language courses for the culture course.

Attached is a revised version of the minor text for the Undergraduate Bulletin.

*Pending approval, January 31, 2017 Curriculum Committee report
