Miscellaneous List
ANTH 540 Action Research. Renumber the course from ANTH 540 to ANTH 240.

CHEM 395H Research in Chemistry for Undergraduates. Revise description from “Permission of the director of undergraduate studies. For advanced majors in chemistry and in the applied science curriculum who wish to conduct a research project in collaboration with a faculty supervisor. Restricted to on-campus work. Work done in CHEM 395 may be counted toward honors in chemistry by petition to the honors committee of the department” to “Required preparation, one CHEM course 420 or higher and permission of the instructor. For advanced chemistry and applied sciences majors conducting on-campus research. Students prepare a report for their faculty supervisor and present their work at a poster session. May count only once as a chemistry elective.”

EDUC 518 Student Teaching in Elementary Grades. Revise credit hours from 1-12 hours (variable) to 12 hours (fixed).

EDUC 569 Teaching Internship. Revise credit hours from 1-12 hours (variable) to 12 hours (fixed).

GEOL 159 Prehistoric Life. Because GEOL/BIOL 159L will not be offered in the near future, the General Education attribute is being changed from PX to PL, effective spring 2012. This change will make it clear to students that GEOL/BIOL 159 alone fulfills PL (not PX).

GEOL 709 Clastic Depositional Systems: Processes and Products. Renumber the course from GEOL 709 to 521.

RELI 108 Jewish Writing through History. Change title from “Jewish Writing through History” to “Classic Jewish Texts: From Bible and Dead Sea Scrolls to Kabbalah and Hassidism.” Change description from “Course will explore the many ways in which Jews have expressed in writing their beliefs, world views, and ways of seeing their community and others, despair, hopes and wishes” to “This course will explore Jewish literary works that are considered "fundamental," "classic," "traditional" (often, all of the above), including the Hebrew Bible, the Mishnah, the Babylonian Talmud, midrashic collections, works by Maimonides, major codes of Jewish law, major kabbalistic, philosophic, poetic, and ethical works, hassidic compositions, and more.”

WMST 553 Theorizing Black Feminisms. Change prerequisites from "WMST 101 and 102" to "WMST 101 and 202," due to course number change for WMST 102 to 202.
