Dear Chris:

During the TREQ and study abroad placeholder discussion on December 3, 2010, it was discovered that the TREQ General Education placeholder courses do not carry General Education Course Attributes in the ConnectCarolina course inventory. In order for these placeholder courses to fall in the appropriate requirement line in Tar Heel Tracker, the course attribute, and corresponding requirement designation code, should be added to the following courses:

TREQ 201: Quantitative Reasoning 1 (QR)

TREQ 202: Quantitative Reasoning 2 (QR)

TREQ 210: Lifetime Fitness (LF)

TREQ 220: Physical and Life Science (PL)

TREQ 225: Physical and Life Science W/Lab (PX)

TREQ 230: Social and Behavioral – Non-Historical (SS)

TREQ 235: Historical Analysis (HS)

TREQ 240: Literary Arts (LA)

TREQ 250: Visual and Performing Arts (VP)

TREQ 260: Philosophical and Moral Reasoning (PH)

TREQ 310: Communication Intensive (CI)

TREQ 320: Quantitative Intensive (QI)

TREQ 330: Global Issues (GL)

TREQ 340: North Atlantic World (NA)

TREQ 350: Beyond the North Atlantic (BN)

TREQ 360: Experiential Education (EE)

TREQ 370: US Diversity (US)

TREQ 380: World Before 1750 (WB)

The Office of Undergraduate Curricula approves these course changes, effective fall 2011. Please contact me if you have any questions or concerns.

With all best wishes,

Nick Siedentop
