To: The Office of Undergraduate Curricula

Object: Change to Portuguese Major, Department of Romance Studies

**CHANGE TO THE PORTUGUESE MAJOR:**

Proposed by the Portuguese Section and Approved by the Undergraduate Advisory Committee, Department of Romance Studies, October 2016:

**Summary:** The Portuguese section proposes to delete PORT 502, 503 and 504 and add PORT 420 and PORT 540 to the list of courses that count in the major.

**Justification:** The Portuguese section proposes to delete PORT 502, 503 and 504 because those courses have not been taught in some time. The plan is to propose rotating special topics courses next year as replacements, to better meet the needs of our students. The two new courses, PORT 420 and PORT 540, will diversify our current offerings for undergraduate and graduate students, especially those who have received Foreign Language Area Studies (FLAS) awards to study Portuguese.

Sincerely yours,

Federico Luisetti
